

84" display on a
Floor to Wall
Stand

84" display on
a Rhobus HD
Trolley

Stands & Trolleys for 55" & 84" displays

Unicol produce Rhobus stand and trolley models that have heavy duty versions within the range enabling them to be used for both 55" and 84" displays. All rhobus models have ample capacity in the mast section for cabling, PCs and other systems. The heavy duty versions will support a weight of up to 130kg. The display mounts can also be utilised separately for wall mounting.
