B2B

PLINTH

Back to Back Plinth Unit

Ideal for digital signage, where 2 thin screens are mounted in portrait back to back.

This unit can be free standing or bolt down. Black or silver are standard colours or as an optional extra branded in the colour scheme of choice with logo.

Touch screens can also be accommodated and there is enough space between screens for small form factors to be housed.

The unit is easy to assemble cutting down on installation time and cables can be routed under the base and through the column.

B2B Unit in silver
with 2 x 46" screens
