RHOBUS STANDS & TROLLEYS

Rhubus Trolley with twin screens and wide glass shelf

Order Code

RH100 Single Screen version

RH200 Twin Screen version

RH300 Triple Screen version

Height to centre of screen 1400mm

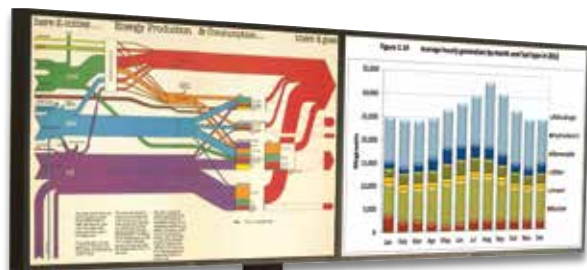

Rhubus Stand with 46inch screen, VCM and glass shelf

With its clean lines and piano black finish the new Rhobus range of stands and trolleys answers all the needs of the corporate user – from boardroom to exhibition venue.

Choose from the simple but elegant single screen version through to multi screen units to support the very latest and best in video conferencing. Ample capacity is provided within the central mast for cabling, codec and other systems, all accessible through a locking door. Built in power socket comes as standard.

Blade style camera mounts give the option to position screens close together or opened to give separate space for the camera. Use of the optional centre infill panel provides a neat finish.

TWIN-SCREEN UNITS

Standard Axia Twin screen trolley version

Height to centre of screen 1600mm

AXIA
